1978 Swan 38 Cutti n° 93

By [admin](#) on 26 aprile 2021.

Year: 1978 Nautor Swan 38 hull n°93
Builder: Nautor

Designer S&S:

Loa: 11.60 m

Beam: 3.53 m

Engine: VETUS mod M 3.09 – 17 kw

Flag ITA

Rina 2023

The boat is named *Cutti* : **only one and the same owner from launch** .

A shipyard I trust made all the maintenance in the last 20 years, included a new teak deck, a prior anti-osmosis treatment, Vetus engine changing in 2004 (very few hours).

Upholstery perfect condition always home kept,

Owner uses spi modified as a gennaker, Genoa 1, Genoa 3, storm jib, full battened mainsail very comfortable.

2 water tanks 150 lt each and other 2 original 110 lt each (owner crossed twice Atlantic)

Fuel tank 115 lt

Dinghy with 4 hp outboard

New batteries

Owner kept the original bow rig when he changed for a furling genoa.
