## Nautor Swan 38 - Acco

Acco is an excellent example of a Swan 38 designed by Sparkman & Stephens for Nautor. She has undergone a continuous maintenance program since she was built ensuring that she remains at the same standard as when she left Finland. Due to popular demand and Solent events, she is also available out of DML Mercury Marina on the Hamble - Southampton for uk yacht charter. Her owner wishes Acco to Race this coming season at as many [sailing events](#) as possible so please contact us if you are interested in this beautiful yacht.
